

Scores & Certificates

- ✓ All test takers receive a score report, a certificate, and feedback, irrespective of their level.
- ✓ A detailed report with an overall score, detailed skill-wise feedback, and 'Can do' statements are included for trainers and learners to use for improvement.
- ✓ Universities and corporates receive a Group Report, which provides information regarding the overall level of English language proficiency of their learners.

GENERAL CEFR LEVEL: B2.1

VTest

AN AWARD-WINNING ASSESSMENT SOLUTION FOR HIGHER EDUCATION INSTITUTIONS AND COMPANIES

Adaptive Customisable Accurate

- ✓ CEFR-aligned
- ✓ Compliant with global accessibility standards

MEMBER OF:

Academic English

CEFR Level Pre-A1 to C2

VTest Academic English has been carefully designed to prepare students for success in rigorous academic environments in higher education institutions. Whether for admissions, placement, or tracking academic progress, it provides a reliable measure of students' ability to thrive in English-medium institutions. It is created for people who speak English as a second language, aged 16 and above.

General English

CEFR Level Pre-A1 to C2

VTest General English is the best-suited exam for mid-stake purposes, such as workplace and HR assessments, level and skill mapping, and language auditing across organisations. The exam places candidates across a 10-level CEFR scale in all four skill areas: Listening, Reading, Writing and Speaking. It is a reliable, easy-to-administer, online English proficiency assessment that adapts to students' abilities.

Features
